

## How to use tools safely at Forest School:

- Sit down
- Point tool away from body
- Watch what you are doing
- Have a "blood bubble" -  
should be length of arm and  
tool outstretched
- Find your own "blood bubble"  
and sit down
- Keep tools in tool hoop
- Wear gloves when using  
tools
- Count out, count in
- Carry tools facing down to  
the ground
